EC 9th; AU 10th AU 20.0, EC 18.0

# Beville Cup Sponsored By ARAMARK

In order to promote and enhance the rivalry between Anderson University and Erskine College, the Anderson-Erskine Cup Sponsored By ARAMARK was established in the fall of 2003.

Each academic year, 10 sports will be worth 30 points (three per sport) while two sports that are not equally funded will be worth one point each. Additionally, three points will be awarded to the school with the highest graduation rate and three points will be awarded the school with the highest percentage of its student-athletes (in the 12 selected sports) named Conference Carolinas All-Academic.

Within each sport, the team winning the most head-to-head meetings during the season will win the points. In cross country and golf, the finish in the Conference Carolinas Championship will determine the points. If head-to-head meetings are tied, each school will be given 1.5 points.

In case of a tie at the end of the year, the tie will be broken by:

... the school winning the most head-to-head regular-season games with Conference Carolinas Championship used for cross country; if tie remains then

... the school winning the most head-to-head post-season games; if the tie remains then

... a cook off between the ARAMARK staffs at Anderson and Erskine

In the spring of 2007, the name of the Cup was changed from the Anderson-Erskine Cup to the Susie and Bobby Beville Cup, in honor of Anderson's former athletic director and his late wife, who both attended Anderson and Erskine.

In 2008, the Beville family announced the school that wins the Cup will receive a \$1,000 donation.

The **Beville Cup Sponsored By ARAMARK** will be awarded to the winning school during the school's spring athletic banquet and will remain with the winning school for one year.
